PREFACE

The MO HealthNet (formerly known as Missouri Medicaid) *Professional Billing Book* contains information to help providers submit claims correctly to the MO HealthNet program. The information in this billing book is recommended only for persons submitting claims for MO HealthNet providers who are the following types: physicians, nurse midwives, podiatrists, diabetes self management trainers, nurse practioners, private medical clinics, local health agencies, planned parenthood agencies, hospital departments, medical school teaching groups, independent laboratories, independent radiology groups, and certified nurse practioners. The book is not all inclusive of program benefits and limitations. Providers should refer to specific program manuals for complete information.
